Mission Team Registration Instructions

We are excited to bring your team to Guatemala and share the short term mission experience God has planned for you! Before completing this form, please contact us to schedule a preliminary informational meeting to introduce the ministry to potential team members. The registration form should be completed and submitted by the designated contact person from your team and include the following:

Contact information for at least four people serving as:

- 1) Primary contact/team leader - Responsible for communicating regularly with the Hope for Tomorrow Guatemala Team Facilitator, scheduling monthly team meetings, and keeping teams on task with necessary preparations for the trip.
- 2) Fundraising coordinator - Responsible for tracking the team's fundraising, encouraging the team to meet their goals, and submitting timely payments of team fees to Hope for Tomorrow Guatemala.
- 3) Project Leader - Responsible for coordinating and organizing the team's mission project with the Hope for Tomorrow Guatemala representative, and supervising team members in the completion of any tasks or gathering of materials that needs to be done before departure. During the trip, the Project Leader will work with the HFTG Team Facilitator to complete the mission.
- 4) Devotional Leader - Many teams find that a shared time of devotions each morning helps to focus the team and strengthen them through Christ. It is the devotional leader's job to prepare a 30 minute devotional format for each day of the trip.

Individual registration forms completely filled out by all members of your team with copies of their passports attached.

Deposit payment of \$200 per person. Deposits are non-refundable and insure a place on the team.

Once your registration and deposits have been received, the flights will be reserved and you will receive your payment installment due dates.
